

RECOMMENDED SUPPLIERS

We have handpicked a number of high quality, trustworthy suppliers who we highly recommend to work with you on your special day. Our suppliers range in price from value options through to high end to suit all budgets. All of our recommended suppliers have provided us with their relevant documentation to ensure your event is covered for all current health and safety regulations.

Should you choose to use any other suppliers who are not on this list, we will require a valid copy of their public liability insurance and PAT test certificate one month prior to the date of your wedding.
