HOW TO FIND US

Finding Us

Sat Nav: CO4 3FA

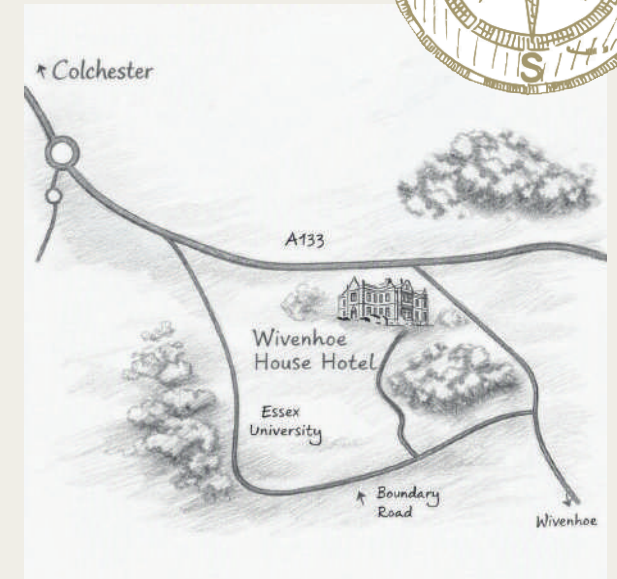

What Three Words: [taking.crate.duty](https://www.what3words.com/takingcrate/duty)

Please note that some sat navs may guide you to the opposite side of Wivenhoe Park. If this happens, simply enter Boundary Road instead of the postcode to ensure you arrive at the correct entrance.

Arriving by Car

Whether you're travelling from London and the South or Ipswich and the North via the A12, take the exit marked Colchester (A133). Follow the A133 towards Clacton, then take the B1027 for Wivenhoe before turning right into Boundary Road, and right again into Park Road.

The entrance to Wivenhoe House is shared with the University of Essex, but once you turn onto Park Road, you'll be guided gently through the grounds of Wivenhoe Park. As you approach, the house comes into view – elegant, welcoming, and especially magical during the festive season, with twinkling lights and winter greenery lining your route.
